skills change lives

CIVIL CONSTRUCTION

HVTC APPRENTICESHIP

Certificate II Civil Construction
Certificate III Civil Construction

QUALIFICATION

Upon successful completion of the course you will receive a nationally recognised qualification.

SKILLS AND ATTRIBUTES

- Show a demonstrated commitment to Workplace Health and Safety.
- Practical person who enjoys working with their hands.
- Ability to work to a deadline when required.
- Ability to take pride in your work and show attention to details.
- Be able to undertake physical work.

COURSE DESCRIPTION

The Civil Construction industry plays a large part in our day to day living. We all use pathways, roads, bridges, drainage and other infrastructure on a daily basis.

People in the industry work on projects covering such diverse fields as roads, subdivisions, bridgeworks, railways, harbours, sewerage and drainage, electrical infrastructure, pipelines and recreation works.

Civil Construction is the most significant participant in the built environment active across a range of sectors - the commercial sector, as well as Local and State Government.

CAREER OPPORTUNITIES

There is a large spectrum of work available on completion including pipe layer; asphalt/pavement layer; bridge construction; construction worker; site maintenance; road constructor; and tunnel constructor.

TERM OF TRAINING

CII - 12 month nominal term (1 year traineeship).

CIII - 36 months nominal term (3 year apprenticeship).

WAGES

Pay rates are as per the relevant Modern Award.

RESULTS

Our apprenticeship and traineeship completion rates are significantly higher than the industry average of 50%.

That's because our caring staff provide ongoing support and mentoring throughout your entire training. We employ you direct - looking after your wage, workers' compensation, leave entitlements and superannuation.

This allows your host employer to give you the best work experience possible to help you become job ready.

We deliver on-site and off-site skills development training at our HVTC Skills Centre as well as partner with TAFE and other training providers.

HOW TO APPLY

When a vacancy is available the details will be placed online. For full selection criteria and to apply, go to our website.

Gain a nationally recognised qualification through HVTC, Australia's oldest group training organisation.

We have employed and provided training to 20,000 apprentices and trainees for more than 35 years.
