HORTICULTURE

HVTC APPRENTICESHIP

Certificate II Horticulture - Landscape Construction

Certificate III Horticulture - Parks and Gardens

Certificate III Horticulture - Sports Turf Management

QUALIFICATION

Upon successful completion of the course you will receive a nationally recognised qualification.

SKILLS AND ATTRIBUTES

- Show a demonstrated commitment to Workplace Health and Safety.
- Have an interest in the horticulture industry.
- Must love working outdoors and be fit.
- Ability to work in a team.
- Able to work in different weather conditions.
- Good communication skills.

COURSE DESCRIPTION

This course is for people wanting to develop a broad range of skills and knowledge needed to work in the horticulture industry. You will learn safety in the workplace and environmentally sustainable work practices, as well as skills selected from areas such as plants and soils, pest management, arboriculture, landscaping, nursery practices, parks and gardens, turf construction and management, biosecurity, chemicals use, irrigation and water, machinery operation and industry work practices.

CAREER OPPORTUNITIES

Horticulturist, gardener.

TERM OF TRAINING

48 months nominal term (4 years).

WAGES

Pay rates are as per the relevant Modern Award.

RESULTS

Our apprenticeship completion rates are significantly higher than the industry average of 50%. That's because our caring staff provide ongoing support and mentoring throughout your entire training.

We employ you direct - looking after your wages, workers' compensation, leave entitlements and superannuation. This allows your host employer to give you the best work experience possible to help you become job ready.

We deliver onsite and offsite skills development training at our HVTC Skills Centre as well as partner with TAFE and other training providers.

HOW TO APPLY

When a vacancy is available the details will be placed online. For full selection criteria and to apply, go to our website.

Gain a nationally recognised qualification through HVTC, Australia's oldest and largest group training organisation.

We have employed and provided training to 18,000 apprentices and trainees for more than 30 years.
