COURSE DESCRIPTION

Plumbers specialise in installing, maintaining and repairing pipes, drains, cladding, mechanical services and related equipment for water supply, gas, drainage, sewage, heating and cooling and other systems under the general supervision and subject to the control of a licensee.

CAREER OPPORTUNITIES

Plumber, plumber and drainer, plumber and gasfitter, gasfitter, roof plumber.

TERM OF TRAINING

48 months nominal term (4 years).

WAGES

Pay rates are as per the relevant Modern Award.

RESULTS

Our apprenticeship completion rates are significantly higher than the industry average of 50%. That's because our caring staff provide ongoing support and mentoring throughout your entire training.

We employ you direct - looking after your wages, workers' compensation, leave entitlements and superannuation. This allows your host employer to give you the best work experience possible to help you become job ready.

We deliver onsite and offsite skills development training at our HVTC Skills Centre as well as partner with TAFE and other training providers.

HOW TO APPLY

When a vacancy is available the details will be placed online. For full selection criteria and to apply, go to our website.

Gain a nationally recognised qualification through HVTC, Australia's oldest and largest group training organisation.

We have employed and provided training to 18,000 apprentices and trainees for more than 30 years.
