

(a division of Hunter Valley Training Company Pty Ltd)

### **Power Linesman Trainer**

Hunter-V-Tec the Registered Training Organisation of Hunter Valley Training Company, located at Maitland, is inviting applicants interested in being Power Linesman Trainers. Whilst beginning in a casual capacity, it is possible that this role may become a permanent – full time role in the future, based upon centre requirements.

Hunter-V-Tec is a dynamic progressive training centre that offers diverse and flexible training to suit the needs of industry.

To be considered for this role you will possess the minimum qualifications as listed below:

- Certificate IV in Training & Assessment
- Certificate III in ESI – Distribution
- Relevant trade experience within the Power Linesman vocation.

A demonstrated strong commitment to Occupational Health & Safety legislation is essential, along with your ability to inspire and promote safety principles within your students.

Your passion for industry based training will ensure your success in this rewarding role.

Please note that whilst this position is based in Maitland, delivery of training in industry is an integral part of this position and some travel to alternative delivery sites will be required.

Successful candidates will be required to undertake a *Working with Children check*.

Further details may be obtained by contacting Doug Ivins (02) 4932 4184.

To apply please send your application to [jobs@hvtc.com.au](mailto:jobs@hvtc.com.au).

Appointment to this position will be subject to a Working with Children check.

*HVTC is an EEO Employer and provides a smoke free environment*

Safety...Did it, Done it, Doing it Tomorrow!
