# EMPLOYMENT PROGRAM

## The HVTC Indigenous Employment Program:

- Encourages and supports employers to provide sustainable employment opportunities for Indigenous Australians; and
- Encourages and supports Indigenous Australians to take up full time or part time training and employment opportunities, stay in jobs and enhance their future employment prospects.

N.B. funding for part time participants is reduced on a pro-rata basis: 8 to 24 hours = 50% of the funding, 25 to 34 hours = 75% of the funding.
