INDIGENOUS

EMPLOYMENT PROGRAM

HVTC is currently able to offer generous financial incentives to businesses that host an Indigenous school-based apprentice or trainee.

The HVTC Indigenous Employment Program encourages host employers to provide sustainable employment opportunities and helps Indigenous Australians enhance their future employment prospects.

The recruitment period for these incentives is through to June 2021.

With a successful history in Indigenous employment, HVTC will look after all the recruitment, paperwork, payment of wages, safety awareness, and provide mentoring and pastoral care.

You simply receive one weekly invoice.

Additional new starter & Indigenous incentives may apply if eligible
