INDIGENOUS

EMPLOYMENT PROGRAM

The HVTC apprentice and trainee Indigenous Employment Program:

- Encourages and supports host employers to provide sustainable employment opportunities for Indigenous Australians; and
- Encourages and supports Indigenous Australians to take up full time or part time training and employment opportunities, stay in jobs and enhance their future employment prospects.

HVTC makes it easy!

With a successful history in Indigenous employment, HVTC will look after all the recruitment, paperwork, payment of wages, safety awareness, and provide mentoring and pastoral care. You simply receive one weekly invoice.

The recruitment period for these incentives is through to 1 March 2019.

N.B. funding for part time participants is reduced on a pro-rata basis: 8 to 24 hours = 50% of the funding, 25 to 34 hours = 75% of the funding.

Normal new starter incentives may apply if eligible
