AGRICULTURE

HVTC TRAINEESHIP

Certificate II Agriculture
Certificate III Agriculture

QUALIFICATION

Upon successful completion of the course you will receive a nationally recognised qualification.

SKILLS AND ATTRIBUTES

- Show a demonstrated commitment to Workplace Health and Safety.
- Ability to work in a team.
- Environmentally sustainable work practices.
- Like the outdoors.
- Passion for farming and enthusiasm to learn more.
- Ability to manage some heavy work.
- Strong work ethic.

COURSE DESCRIPTION

This qualification provides a general vocational outcome in agriculture. The qualification enables individuals to select a livestock production or cropping context as a job focus or, in the case of mixed farming enterprises, both.

Participants will get experience in preparing and applying chemicals; undertaking basic soil/media analysis tests; machinery operation and maintenance; identifying pests and diseases; monitoring the health and maturity of crops; moving, drafting and controlling livestock; and assessing herd/flock health and conditions.

CAREER OPPORTUNITIES

Job roles and titles vary across different industry sectors. Possible job titles relevant to this qualification include farm or station hand; farm or station worker; and livestock transport driver.

TERM OF TRAINING

CII - 12 months nominal term (one year).

CIII - 24 months nominal term (two years).

WAGES

Pay rates are as per the relevant Modern Award.

RESULTS

Our apprenticeship and traineeship completion rates are significantly higher than the industry average of 50%.

That's because our caring staff provide ongoing support and mentoring throughout your entire training.

We employ you direct - looking after your wage, workers' compensation, leave entitlements and superannuation.

This allows your host employer to give you the best work experience possible to help you become job ready.

We deliver on-site and off-site skills development training at our HVTC Skills Centre as well as partner with TAFE and other training providers.
