CARPENTRY AND JOINERY

HVTC APPRENTICESHIP

Certificate III Carpentry and Joinery

QUALIFICATION

Upon successful completion of the course you will receive a nationally recognised qualification.

SKILLS AND ATTRIBUTES

There are no educational entry requirements for this qualification however, before enrolling in this course you must successfully complete the WHS Induction Training (White Card) which will allow you entry into a construction worksite.

- Show a demonstrated commitment to Workplace Health and Safety.
- Practical person who enjoys working with their hands.
- Be physically fit.
- Enjoy working outdoors.
- Ability to work at heights.
- Good communication skills and able to take directions well.
- Work to a deadline.

COURSE DESCRIPTION

Construct, erect, install, finish and repair wooden structures and fixtures on residential and commercial buildings. Joinery work will involve some cutting, shaping and fitting timber parts in workshops to form structures and fixtures, ready for installation such as staircases.

CAREER OPPORTUNITIES

Carpenter and joiner.

TERM OF TRAINING

48 months nominal term (4 years).

WAGES

Pay rates are as per the relevant Modern Award.

RESULTS

Our apprenticeship completion rates are significantly higher than the industry average of 50%. That's because our caring staff provide ongoing support and mentoring throughout your entire training.

We employ you direct - looking after your wages, workers' compensation, leave entitlements and superannuation. This allows your host employer to give you the best work experience possible to help you become job ready.

We deliver onsite and offsite skills development training at our HVTC Skills Centre as well as partner with TAFE and other training providers.

HOW TO APPLY

When a vacancy is available the details will be placed online. For full selection criteria and to apply, go to our website.

Gain a nationally recognised qualification through HVTC, Australia's oldest and largest group training organisation.

We have employed and provided training to 18,000 apprentices and trainees for more than 30 years.
