TRANSPORT AND LOGISTICS

WAREHOUSING OPERATIONS

HVTC TRAINEESHIP

Certificate II Transport and Logistics -
Warehousing Operations

QUALIFICATION

Upon successful completion of the course you will receive a nationally recognised qualification.

SKILLS AND ATTRIBUTES

- Show a demonstrated commitment to Workplace Health and Safety.
- Have an interest in the warehousing industry.
- Physically fit.
- Good eye for detail.
- Strong organisational skills.
- Good communication skills and able to take directions well.
- Ability to work in a team.
- Effective customer service skills.

COURSE DESCRIPTION

This course is for people who want to work in the warehousing and storage industry.

You will learn how to coordinate goods for distribution to customer and perform a prescribed range of functions involving known routines and procedures and some accountability for the quality of outcomes. You will also learn how to use inventory systems to conduct stock counts and apply product knowledge to organise receipts and dispatches.

CAREER OPPORTUNITIES

Production and transport clerk, stores assistant.

TERM OF TRAINING

12 months nominal term (1 year).

WAGES

Pay rates are as per the relevant Modern Award.

RESULTS

Our apprenticeship completion rates are significantly higher than the industry average of 50%. That's because our caring staff provide ongoing support and mentoring throughout your entire training.

We employ you direct - looking after your wages, workers' compensation, leave entitlements and superannuation. This allows your host employer to give you the best work experience possible to help you become job ready.

We deliver onsite and offsite skills development training at our HVTC Skills Centre as well as partner with TAFE and other training providers.

HOW TO APPLY

When a vacancy is available the details will be placed online. For full selection criteria and to apply, go to our website.

Gain a nationally recognised qualification through HVTC, Australia's oldest and largest group training organisation.

We have employed and provided training to 18,000 apprentices and trainees for more than 30 years.
