Course duration

- Full time qualification up to 1 year

Requirements:

❖ *Minimum education*

While there are no formal education entry requirements, Hunter-V-Tec suggests you should have completed schooling equivalent to Australian Year 10, OR have relevant industry experience OR a relevant qualification.

❖ *Minimum age*

Minimum age of 16 years. If you are under 18 your application must be signed by a parent or guardian.

❖ *Computer requirements*

Learners will need access to a computer and the internet and have basic computing skills. Minimum computer specifications are:

All users:

- Broadband Internet Connection
- Adobe Reader XI or equivalent
- You will also need access to a phone, printer, photocopier and scanner
- Adobe Flash Player 11 or higher

❖ *Audio-visual requirements*

You will need access to software to view online videos and images. Software such as Adobe Reader, Windows Media Player, Windows Photo Viewer etc. are available as free downloads from the internet.

❖ *English language requirements*

This course requires you to read comprehensive learner workbooks, undertake a range of written assessments and engage in online discussion forums. Also, the delivery mode relies on the use of written communication.

As such, entry to the course requires English proficiency equivalent to Australian Year 10 level or 1 years of work experience in a role that requires the use of written documentation and communication.

Study materials

Once you are enrolled in this course, you will receive access to the first set of units for the course. When you have successfully completed those units, you'll be given access to the next units when you require them. Remember this is completed at your own pace.

Pathways

Suggested pathways for further study after completion of this qualification include:

- BSB30215 Certificate III in Customer Engagement
- BSB30115 Certificate III in Business
- BSB30415 Certificate III in Business Administration
- Other relevant Certificate III qualifications

Delivery Styles	
E-Learning	Self-paced study completed from home or at the office. Students learn online via an online learning platform. E learning includes numerous types of media that deliver text, audio, images, animation, interaction content and streaming video through web-based learning.

What's included?

Our course includes detailed learning materials, assessments, certification upon successful completion and ongoing trainer support throughout the program.

Recognition of Prior Learning (RPL)

RPL is available for each unit of competency based on relevant workplace experience, formal training and/or other expertise. To apply for RPL please discuss with our student support team or your trainer/assessor. For RPL you will be required to submit a portfolio of evidence within 12 months of the enrolment date.
